Torpedo7 brings twenty jobs to Manukau

Kiwi outdoor adventure store Torpedo7 has opened its doors in Manukau, bringing twenty new jobs to the suburb.

The new store on Cavendish Drive is the fifth Torpedo7 store to open this year, as the brand continues to expand its footprint across the country.

CEO Tim Edwards said: ““We have a passionate team on board who live and breathe outdoor adventure and are passionate about all things camping, bike, water sports and snow.”

Manukau customers will also have access to a specialist in-store bike workshop that offers expert advice, safety checks and bike repair.

Edwards says he’s thrilled to bring a range of international and local adventure brands, camping gear and ever-popular trampolines to Manukau, just in time for summer, including Torpedo7’s own private-label range.

“Our online store has been popular with the Manukau community for some time, and we’re looking forward to giving locals the chance to experience our range and passionate enthusiasts in store,” Edwards says.

Torpedo7’s charity partner Hillary Outdoors is a trust that provides outdoor education primarily to young people. Between 2-4pm on Saturday 27th October, the charity will be running a competition with customers who snap a fun selfie at the store. The best selfie will be in to win one of five Torpedo7 gift cards.

-Ends-
